Nanostudio 2 (iOS)

Kit Formats · https://www.kit-maker.com/docs/km3-nanostudio-2/

Nanostudio 2 has been discontinued, and may not be visible as an option in the main list of Kit Maker formats.

View the top Menu > Formats to access the Nanostudio 2 option for processing.

Transfer your Nanostudio 2 kits to your iOS device and they load as presets. See Transferring to iOS Devices.
